## **FUN FACTS ABOUT MAY...**

### **Flower of the month**

Hawthorn and Lily of the Valley

### **May Customs and Traditions**

May Day (aka Garland Day)

In Britain, as in most parts of Western Europe, May Day marked the end of the harsh winter months, welcomed the beginning of summer and optimistically looked forward to the bright and productive months. It was a major festival celebrated throughout the country, especially on the first day with music, dancing and games. It is said to be a time of love and romance!
