JULY HIGHLIGHTS

Meet our new Employee – Julie Veilleux

We welcome Julie Veilleux who joined our Tri-State office at the beginning of June. Julie comes from an eleven year college basketball coaching career with many transferrable skills to the business world. She comments, “I take much pride joining forces with family and learning the ropes from one of the most experienced staffing owners in the area. I am passionate about servicing businesses and people in the greater Augusta area.”

Maine Fun Fact:
Maine is the only American state with a one-syllable name

Congratulations to the 13 temp to perm placements in June!
